Dear Harold:

Thank you for sending me the slide of JFK's shirt collar. I shall return it as soon as I can, or whenever you desire to have it back. You may be right that I have this particular picture in my own slide collection. I shall check to see.

In any event, this is an important and interesting piece of physical evidence, which I shall plan to refer to in future JFK presentations, including our 25th Anniversary Seminar in Pittsburgh next year.

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
